

# COVID-19 Vaccination:

## Programme update 5 March 2021

### Overview

Our ambition is to protect our Cardiff and Vale population as quickly as possible with vaccination for Covid-19. A vaccination programme on such a large scale requires a multi-faceted approach and a mixed model of delivery. The model in Cardiff and Vale includes mobile teams, mass vaccination centres, GP Practices and healthcare 'hubs'.

### Operational Delivery:

To date we have delivered 158,753 vaccines in Cardiff and the Vale of Glamorgan which is a third of our total adult population. 24,001 of these vaccines are second doses.

	1st Dose	2nd Dose
Total vaccines	134,749	24,001
-----		
Yesterday	1,485	1,672
<b>KEY PRIORITY GROUPS (1-4)</b>		✓
Care home staff	4,265	2,061
Care home residents	1,884	527
80 and over	18,910	185
Frontline healthcare staff	24,193	13,545
Social care staff	8,391	2,936
People aged 75-79	13,987	232
People aged 70-74	20,043	2,709
Clinically Extremely Vulnerable	9,199	582

**Total Vaccinations: 158,753**

**Total Yesterday: 3,157**

KEY PRIORITY GROUPS (5-7)		
65-69	14,893	164
Underlying Health Conditions	10,070	766
60-64	7,755	91

## Mass vaccination centres:

Splott MVC continues to deliver 2nd doses of Pfizer with people from groups 1-4 due to be completed by 19 April. After this date Splott will continue with 1st and 2nd doses of Pfizer.

Pentwyn MVC and Barry MVC are continuing to deliver first doses of Oxford Astra Zeneca to people with underlying health conditions, aged 16-64 and those aged 60-64.

**We have now delivered the following number of vaccinations at each site:**

Splott MVC **61,570**

Pentwyn MVC **15,240**

Barry MVC **10,343**

## New MVC

We have acquired another MVC which is based on the old Toys R Us site. Work is currently taking place to turn the site into a centre to deliver vaccinations to people in Cardiff and the Vale of Glamorgan. We anticipate the site being ready to deliver vaccines from the end of March but will keep you updated with progress.

We are also exploring options to increase vaccination capacity in Western Vale and are currently discussing plans with GPs and community pharmacists in the area. We will keep you updated as this progresses.

## Mobile Vaccination Teams

Our Mobile Teams are currently delivering second doses to Care Homes across Cardiff and the Vale of Glamorgan with a plan to complete these by 22 March. There may be occasions where we cannot go into a Care Home if they are in an outbreak situation but we will continually monitor these and enter when it is safe to do so.

We are also working through a plan to use the mobile teams to vaccinate our vulnerable communities including people who are homeless, asylum seekers and the traveller community. Plans are to deliver first doses between 22nd March and 12 April.

## GP practices:

Our GP Practices are continuing to book in priority group 5 (aged 65-69) to receive their vaccine and have completed 71% of this group so far. Remaining people in this age group will receive their first doses given by 22 March.

A round up of our Primary Care support is available on our [website](#).

# Community Pharmacies

Community Pharmacies will be undertaking training to deliver vaccines to unpaid carers, our Black Asian and Minority Ethnic communities to increase access and capacity in the Western Vale.

## Unpaid Carers

Unpaid Carers: unpaid carers we are aware of are currently being invited to a Mass Vaccination Centre. We have now launched an [online form](#) for people to complete if they feel they fall under this cohort. Once the form is completed you will be offered an appointment at an MVC or a community pharmacy. If you need help completing the form you can call 01446 729592

## Updated plan for priority groups

Below is an updated plan on how and when we plan to contact the priority groups. Please note these dates could change due to vaccine supply but we will keep this updated on our [website](#)

<b>Priority Group 1</b> Adult Care Home residents and staff	<p>Vaccinated by our Mobile Vaccination Teams. Second doses are now taking place and should be completed by 22 March.</p> <p>Some care home staff may have been vaccinated at one of our Mass Vaccination Centres and they will automatically be contacted for their second dose.</p>
<b>Priority Group 2</b> 80 years and over and frontline health and social care staff	<p>All of this group have been offered first dose appointments</p> <p><b>If 80 and over</b> and you have not been invited for your FIRST dose please contact your GP Practice.</p> <p>GP Practices will start contacting this group for their second doses from 22 March with all vaccinated by 12 April.</p> <p><b>Frontline staff</b> - if you have not been contacted for your FIRST dose please email <a href="mailto:cvuhb.massimms@wales.nhs.uk">cvuhb.massimms@wales.nhs.uk</a></p> <p>Second doses are currently taking place at our Splott Mass Vaccination Centre and should be completed by 19 April.</p>

<p><b>Priority Group 3</b> aged 75-79</p>	<p>3 aged 75-79 All of this group have been offered first dose appointments at their GP Practice.</p> <p>If you have not been invited for your FIRST dose please contact your GP Practice.</p> <p>GP Practices will start vaccinating this group with second doses from 22 March which will be completed by 12 April.</p>
<p><b>Priority Group 4</b> aged 70 -74 and clinically extremely vulnerable</p>	<p>All of this group have been offered appointments at a Mass Vaccination Centre</p> <p>If you have not been invited for your FIRST dose please contact the booking centre on 029 2184 1234</p> <p>Second doses will be automatically scheduled and you will receive a text message.</p> <p>Second dose appointments are anticipate to start from 11 April and be completed by 22 May.</p>
<p><b>Priority Group 5</b> age 65-69</p>	<p>This group will are currently being invited by GP Practices for the first dose with the aim to complete this group by 22 March.</p> <p>Second doses are planned to start from 26 April and be completed by 7 June.</p> <p>Please only contact your GP Practice if you have not received your first dose after the 22 March.</p>
<p><b>Priority Group 6</b> age 16-64 with underlying health conditions and unpaid carers</p>	<p>Underlying health conditions: This group are currently being contacted by the Health Board to attend a Mass Vaccination Centre. These appointments will be automatically scheduled and you will receive a letter in the post.</p> <p>Please be patient while we work through this group.</p> <p>We will communicate further guidance in the next few weeks on how to register if you believe you have not been invited and fall within the guidance.</p> <p>Unpaid Carers: unpaid carers we are aware of are currently being invited to a Mass Vaccination Centre. We have now launched an <a href="#">online form</a> for people to complete if they feel they fall under this cohort. Once the form is completed you will be offered an appointment at an MVC or a community pharmacy. If you need help completing the form you can call 01446 729592.</p> <p>Learning Disabilities: Those identified will be contacted between 22 March and 12 April and will be visited at home by our Mobile Vaccination Team.</p> <p>Please note all first doses in the group will be offered by 19 April.</p>

<p><b>Priority Group 7</b> age 60-64</p>	<p>This group is currently being contacted by the Health Board to attend a Mass Vaccination Centre.</p> <p>Please be patient and you will receive an appointment letter in the post.</p> <p>This group should have completed first doses by 27 March.</p>
<p><b>Priority Group 8</b> age 55-59</p>	<p>This group will be contacted by the Health Board to attend a Mass Vaccination Centre.</p> <p>Please be patient and you will receive an appointment letter in the post.</p> <p>This group will be contacted for first doses between 27 March and 6 April.</p>
<p><b>Priority Group 9</b> aged 50-54</p>	<p>This group will be contacted by the Health Board to attend a Mass Vaccination Centre.</p> <p>Please be patient and you will receive an appointment letter in the post.</p> <p>This group will be contacted between 6 April and 19 April to receive their first dose.</p>
<p><b>Priority Group 10</b> Rest of population</p>	<p>This group will be contacted from 19 April for their first dose.</p>

## Communications:

This week we invited the media into our Mass Vaccination Centres in Splott and Barry to showcase the work the teams have been doing to vaccinate the population.

You can see some of the coverage here

 Yay! All done! Calm, professional and friendly the #SplottCentre staff continue to do a great job @CV\_UHB Very many thanks indeed!!

**Healthcare Inspectorate Wales** @HIW\_Wales · Mar 3  
 We've been inspecting @CV\_UHB vaccination centres in #Barry & #Cardiff recently. If you've been vaccinated against COVID-19 at a centre like these, help us by completing our survey to tell us about your experience: [ow.ly/is9p50DO4hp](https://ow.ly/is9p50DO4hp) #HIW #makingadifference

**Dr Helen King** @rix1084 · 11h  
 Repping the pharmacy colours today. Props to all the hard work of the team at Splott MVC. The dedication of all the staff is beyond what anyone can see. Let's keep those vaccines rolling! #vaccination #covid @CV\_UHB

 Super excited to have received my second #covidvaccine at the Splott Vaccination Centre. The whole process was so efficient and staff were professional and friendly. Thank you to the #NHS & @BritishArmy & all involved in the #VaccineRollout @CV\_UHB #VaccinesSaveLives #Covid19UK

**Cardiff & Vale UHB** @CV\_UHB · Mar 4  
 Karen, a patient care administrator was happy to get her second dose of the #COVIDVaccine and said that in these worrying times, it makes her feel a little better.
